

## SONOMA COUNTY WATER AGENCY Smart Irrigation Controller Rebate Program

A weather-based irrigation controller, or Smart Controller, is an effective technology for reducing water usage outdoors, replacing the standard automatic timer that controls landscape sprinkler systems. Unlike a standard automatic timer that turns on the water at set intervals regardless of plant needs, a Smart Controller uses weather data and site information such as plant type and sprinkler system output to adjust watering times and frequency. This provides more efficient watering, reduces water run-off and improves the health of your landscape.

This technology is more expensive than the standard equipment found in most homes today. In order to make this technology more accessible, the Sonoma County Water Agency and North Marin Water District have partnered to provide rebates for the purchase of a Smart Controller. A limited number of rebates are available on a first-come, first-serve basis through June 30, 2007 while funding lasts.

### Minimum Requirements:

- Fully operational in-ground irrigation system operated by an automatic sprinkler timer
- At least 1,500sqft of automatically irrigated landscaping
- At least 500sqft of well maintained, automatically irrigated turf grass
- Be a potable water customer of the North Marin Water District
- Agree to release historical and future water usage data for statistical purposes
- Onsite pre- and post-installation verification
- Smart Controller must be installed and operational at the installation site for at least two (2) years
- Purchase and install a qualified Smart Controller with a minimum of 3 years pre-paid signaling fees
- Install a rain sensor with the Smart Controller (required for businesses, recommended for homes)

### Rebate Amount:

	Up to 12 active stations	13 to 24 active stations	25 or more active stations
75% rebate on the purchase price (hardware only)	Up to \$300	Up to \$700	Up to \$1,100
100% rebate on signaling fees (For homes only)	Up to \$150	Up to \$150	Up to \$150

### How to Participate:

1. Confirm eligibility by setting up a pre-installation verification. For homes, call the free *Water Smart Home Program* at (707) 547-1910. For businesses, call (707) 547-1918.
2. Read and understand the rebate form. Complete the form.
3. Purchase and install a qualifying Smart Controller (see list of qualifying models).
4. Arrange an onsite post-installation verification by calling (707) 547-1918.
5. Submit the completed application and a copy of the purchase invoice(s)/receipt(s) to the representative during your verification appointment.
6. Please allow 6 to 8 weeks for the rebate check to arrive after your verification appointment.

Form ET-NMWD 03/07

I am the owner of the above described property. In exchange for rebating to me certain costs specified in the Smart Irrigation Controller Program Rules, I agree to install, maintain, and manage the use of the Smart Irrigation Controller (Smart Controller) for a minimum of two (2) years. During this two-year period, I agree to allow Sonoma County Water Agency (SCWA) and North Marin Water District (NMWD) staff to monitor my water usage through billing data. I also give the SCWA and NMWD permission to enter and to be on my property for the purpose of conducting the mandatory installation verification and reviewing and/or modifying the Smart Controller programming. I agree that participation in this program does not exempt me from any water use ordinances that may become or are already in effect, including imposed landscape watering restrictions during periods of drought. I, the property owner am responsible for complying with all ordinances and restrictions.

I agree on behalf of myself, and my heirs, executors, legal representatives, and assigns, to release, defend, indemnify, protect, and hold harmless SCWA and NMWD, their agents, officers, and employees, from and against any and all costs or expenses, including attorneys' fees, and all claims asserted or liability established for costs or expenses including attorneys' fees, and/or damages or injuries to any persons or property, or from conditions on my property arising out of or in connection with the Smart Irrigation Controller Rebate Program; provided, however, that my duty to indemnify and hold harmless shall not include any liability arising from the established sole negligence or willful misconduct of SCWA or NMWD, their agents, officers or employees, in performing the above described work or services for me.

I agree that SCWA and NMWD have the right to deny any application for the following two reasons: (1) SCWA and/or NMWD lack sufficient funds to honor the rebate, or (2) the rebate application does not meet all program requirements as specified in the Rebate Program Rules. I have read, understand and agree to the terms and conditions above and as specified in the Program Rules in the program description included as part of this application.
